Re: Heartland Machine & Engineering – Request for Waiver of Non-Compliance

In 2013 Heartland Machine & Engineering was granted a ten-year real property tax abatement with a 2% economic development fee through Resolution 2013-11. The construction was not completed until the end of 2014. Since the approval, Heartland Machine & Engineering has submitted the yearly compliance reports in a timely manner and they have been approved. Upon receiving their tax bill this year for 2015, they noticed they had not received the tax abatement deduction. After talking to the Johnson County Auditor's offices, they were informed they need to file a Form 322 RE for the real property tax deduction. They did not know they were required to file this form with the county.

Therefore, Heartland Machine & Engineering will have to pay the taxes in full. The remedy to this situation is for the City of Franklin to pass a waiver of non-compliance for the failure to fill out the required county forms. It is my understanding from the county, that once the waiver of non-compliance is granted, a credit will be given on the fall taxes. Resolution 2016-12 is attached for this purpose.

If you have any questions regarding this request, please contact me directly at 346-1250.
